Cynthia Monique: It was for my sisters best friends wedding, BAD EXPERIENCE, I got in trouble for playing " I'm the ishh" ....@ the reception, and then I had one of the brides aunt ( who was drunk may I add) ask me to play " good RnB music " when I asked her what she wanted to hear she said "Please don't stop the music " by Rhianna ....4 times , I never got fed, till this day HAVEN'T GOT PAID EITHER .....First and last wedding I'll ever do. ALL IN ALL I HAD A BLAAAST!!! lol

Cynthia Monique: Music today is so overrated, it's played out for me even though I spin mainstream hip-hop most of the time, I listen to the lyrics of music back then, and that's just it I listen to the lyrics, music of today, I would say it's just served to dance with or to make a dance with .....
